Why are you trying so hard?

At that age, play like that, and your limbs might as well fall off.
It takes a while to recover too.
Not your business, Director Nam.

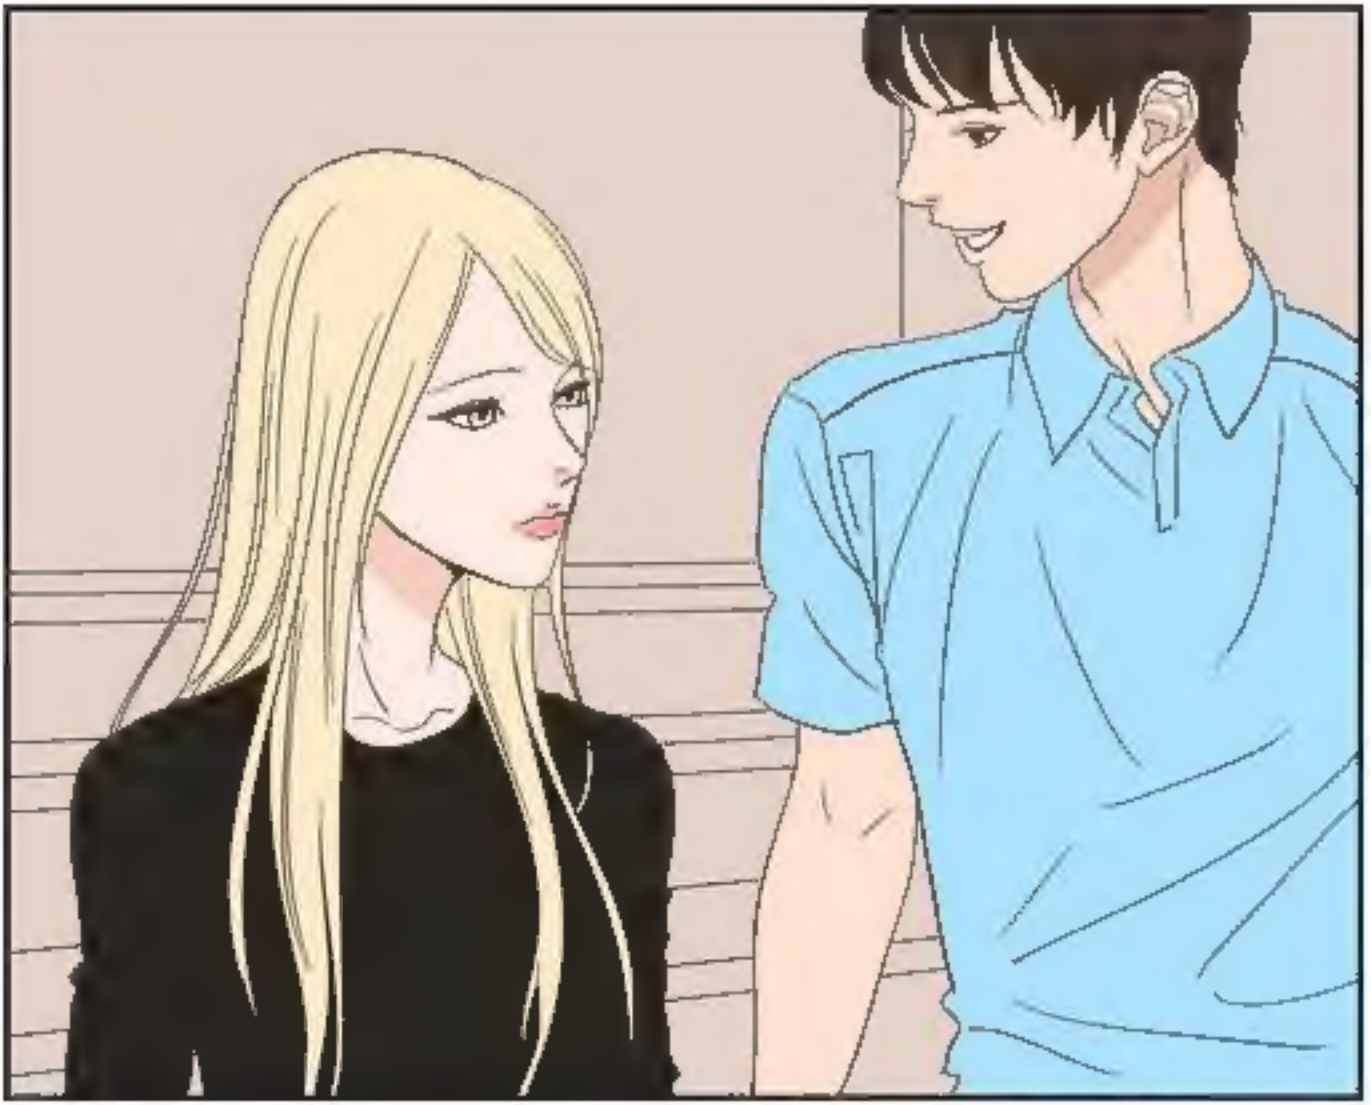
Why must our shortie be so stubborn-
I won't take it if you said it's because you have small boobs.
What? Who said you say what you want?

And how many times have I told you to stop calling me shortie?
Especially in front of the staff.
My height is within the average, you know!
Hah, really... What year's average height is it?

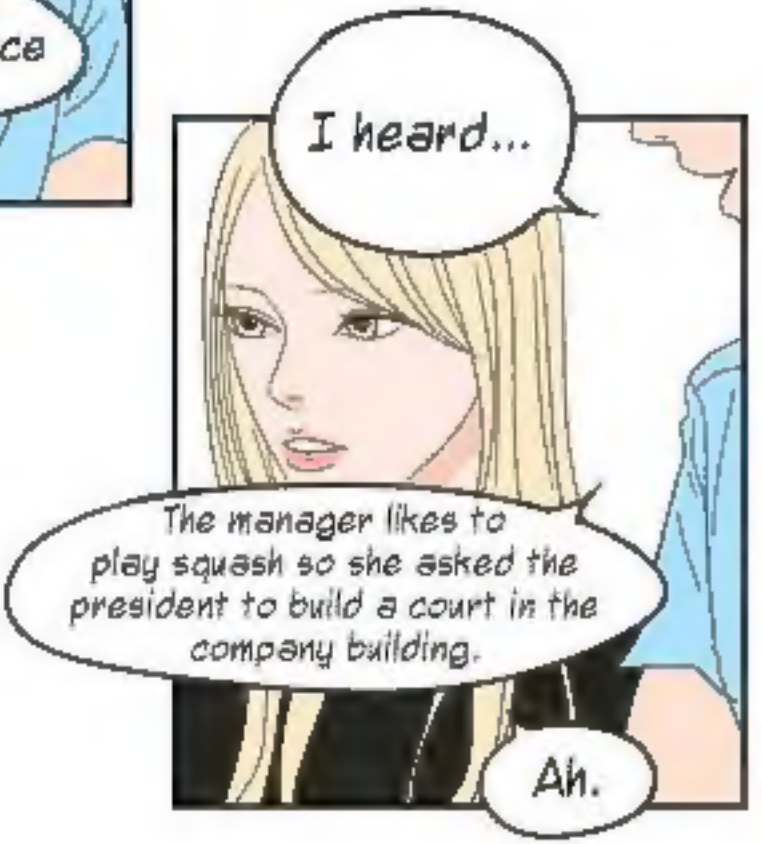
If you take the pills I gave you,
even if you're thirty four you can still grow,
Didn't I say I can't take the pills?
And stop hiding them around my house.

So mean. You don't even get my heart -warming intentions...
Shut up. Put away your hand.

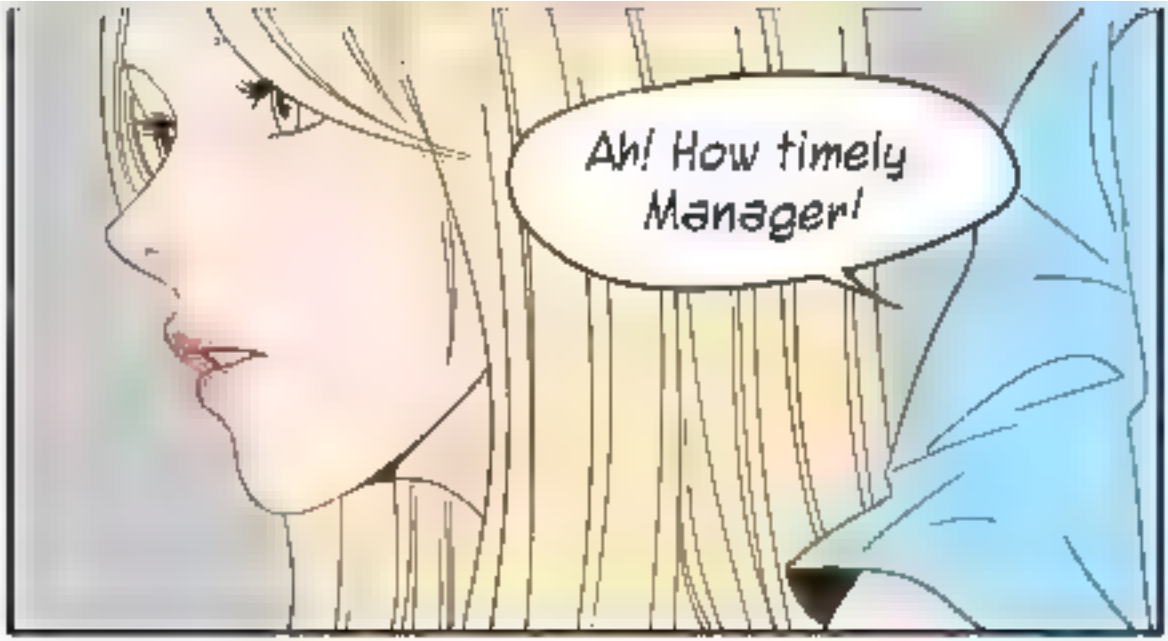
Whoa.



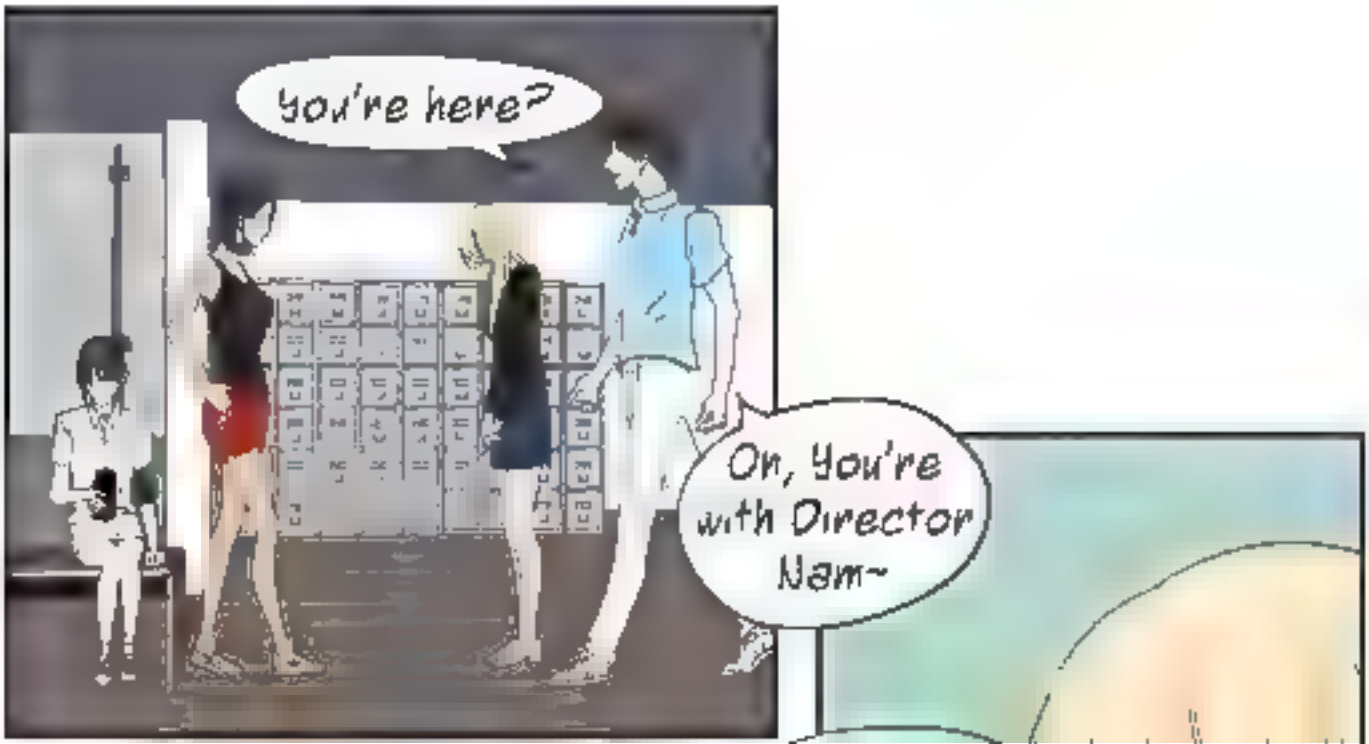
Why didn't you tell me you haven't been here~? I would have taken you here earlier.
I didn't know there was a place like this.



I heard...
The manager likes to play squash so she asked the president to build a court in the company building.
Ah.



Ah! How timely Manager!



You're here?

Director Nam, why don't you play with me?
Sir, sur If I have to sweat then I don't want to.

Director Nam, you're already sweaty, aren't you? And my name is Choigun.
Just play with me
